Saturday February 26, 2022 - EAC Network VIRTUAL Conference

The EAC Network Conference is the annual, statewide training and networking event for people engaged in or interested in establishing an Environmental Advisory Council in their municipality, as well as municipal officials, staff, and others interested in improving their communities. Registration for the EAC Network Conference includes a full day of virtual training, opportunities for networking with peers, and access to digital content and resources.

Visit <https://weconservepa.org/> for more details.

Please note, EAC agendas are subject to change without notice.
