

**BIRD TOWN**  
PENNSYLVANIA

# Healthy Yard Pledge

*Yes! I want a healthy yard!*

*I will:*

- Consider using native plants in the landscape
- Remove invasive plant species
- Work to reduce stormwater runoff
- Eliminate the use of pesticides on the property
- Provide for birds and protect those that show up!
- Explore my yard and learn more!

**Please sign our Roster Page or sign up on our website at [birdtownpa.org](https://birdtownpa.org)!**

You will receive a quarterly Bird Town eNewsletter that includes valuable information about healthy yards. By providing for birds and taking these steps, you may also want to join a Backyard Habitat Program. Visit our website to learn more about the different programs available to join: <https://birdtownpa.org/backyard-habitat-programs/>
