

How to Register for Beanstack and Add Readers to Your Account

Go to <https://springfieldmontco.beanstack.org>

Scroll down until you see the blue “Register an Individual or Family” button. Click that button.

Programs available for babies and toddlers, children, teens, and adults

[Register an Individual or Family](#)

Choose whether you are registering yourself or you are an adult registering a child. An account may have multiple readers associated with it, so you can sign up with one account for multiple family members (other adults, teens, and children). We do have a reading program for adults, so we encourage you to register yourself as well as children and teens.

Start Over

Who would you like to register?

I am registering myself.

I am an adult registering a child.

If you are registering yourself, you will be asked to provide your information first:

The screenshot shows a registration form titled "Reader's Information" from the Free Library of Springfield. The form is divided into several sections with input fields and dropdown menus. At the top right, there are three buttons: "Reviews", "Share Code", and "Sign In". The form fields are as follows:

- First Name ***: Text input field.
- Last Name**: Text input field.
- Email**: Text input field.
- Confirm Email**: Text input field.
- Password (At Least 6 Characters) ***: Text input field with a hint "Use a minimum of 6 characters".
- Password Confirmation ***: Text input field with a hint "Use a minimum of 6 characters".
- How old are you? ***: Dropdown menu.
- What grade level will you be in this fall? ***: Dropdown menu with the option "Please choose a grade level".
- How did you first hear about our Beanstack program? ***: Dropdown menu with the option "Please choose an answer".

Please provide your name and email address (your email address is what you will use to sign in to your account) and create a password.

Please answer the required questions. The age and grade level questions make sure that each reader is assigned to the appropriate reading challenge. Adults need only to select "18+" for age and "Adult" for grade level.

Once you are registered, you will have the opportunity to add other readers to your account. First, it will ask if you want to add other adults, and then it will ask if you want to add any children.

When registering a child, provide the first name, age, and grade level the child will be entering in the fall. Grade level options include Babies and Toddlers, Preschool, and Kindergarten through 12th Grade.

Babies and Toddlers are in the Read to Me challenge, where you can earn virtual badges and free books for reading to your child and completing early literacy activities. Preschool through entering 5th Grade are in the Kids challenge, while those entering 6th through 12th grades are in the Teens challenge. For both the Kids and Teens challenges, participants can earn virtual badges, activity packs, and free books by tracking reading and learning activities.

Register Your Child for Free Library of Springfield Township Summer Reading Club

Reader's Information

What is your child's name? *

How old is your child? *

What grade level will your child be in this fall? *

How did you first hear about our Beanstack program? *

When you are done registering readers, you will be taken into your account. It will default to the first reader that you signed up.

Just a reminder...

In order for logging to count towards a challenge, it must be done on or after the challenge's start date. You can find the start date beneath the title.

Summer Reading 2020: Adults

June 15, 2020 - August 16, 2020

[Return to this Challenge](#)

To switch between readers, click on the arrow next to the current reader's name, and a drop-down list will appear of other readers on the account. Select the name of the reader you want to switch to. If you need to add a reader at any point after your initial registration, select "Add a Reader" from this list and enter the new reader's information.
