

SPRINGFIELD TOWNSHIP, MONTGOMERY COUNTY PARK EVENT FAQ

Q. I would like to host an event in the park. Where do I begin?

A. All programs and events (free and fee based) require an approved permit from the Parks and Recreation Department according to Springfield Township Ordinance 59-4 A:

59-4. The following activities and uses are prohibited within parks, recreation areas, playgrounds, community buildings, athletic fields, bodies of water and any other Township park and recreation area open for public recreational use:

A. Design, host, or conduct a private or fee-based clinic, program, event, practice or game and/or engage in fundraising or the solicitation of financial contributions of any kind without a permit issued by the Parks and Recreation Department.

Q. Which Township Park may I utilize for an event?

A. Events are restricted to the Township Community Park, Cisco Park. Cisco Park is large enough to accommodate larger groups and is isolated enough from residential areas as to minimize potential negative impact on neighbors that could result from an event. Each Township Park aligns with a specific classification.

Q. How do I know which the classification of a specific park?

A. The Parks and Recreation Department has aligned each Springfield Township Park within the classification criteria defined by the National Recreation and Park Association. The purpose of this classification practice is to clarify the level of services and amenities available within each park property for potential Township park system users. Specifically, this classification will simplify which parks are available for athletic rental use, event rental use, and recreational or passive use. The Park Classification can be viewed on the [Township website](#).

Q. What if I want to host the event in the park near my house and not Cisco Park?

A. Springfield Township does not approve a permit nor authorization to host an event in a park other than Cisco Park. As several parks abut residential homes, it would be seemingly inappropriate to host events that would adversely impact neighboring properties.

Springfield Township does not permit events in any other park. James A. Cisco Park is the only park available for private party rentals. By submitting an event permit request, you have access to the picnic grove surrounding the gazebo. This permit does not warrant private use of the entire park/playground. Cisco Park is open from Dawn to Dusk. No one should be in the park after dark.

Q. What if my event is for a small group?

A. Small unstructured group gatherings of twenty-four people or less do not require a permit. Examples: Small family picnic, pizza party, tot play-date, etc.

Q. How do I secure my rental?

A. Submit a completed [Park Event Permit](#) and a \$200 Security Deposit in check form. This application is intended for organizers of public and private events and/or gatherings on Township property with an expected crowd size of twenty-five (25) people or more.

Q. How much does it cost for a Park Event Permit?

A. Full payment must be submitted at least 10 business days before the requested reservation date. Failure to pay within ten days may void your permit. Park event permit fees are determined based on the following designations:
