

April 2024 Library Programs

Duplo Play Day

Fri., April. 5th, 10 - 4 PM

Drop in to build whatever you can imagine with the library's collection of Duplo bricks.

No registration required.

Pokemon Trainer's Club

Mon., April 8th, 4:30- 5:30 PM

Join your fellow aspiring Pokemon Masters for afternoon discussions and Pokemon-related activities, Trading Card Game duels, Pokemon battles in Scarlet and Violet, and more!

No registration required.

For children in grades 1 - 5

Kids' STEM Hour

Exploring Circuits

Tues., April. 30th, 6:30 PM

Drop in to discover the science behind circuits. Experiment with making your own circuits using LittleBits and Squishy Circuits, and make a paper circuits project to take home. Suggested for ages 8 and up.

No registration required.

Adult Basic Drawing

Tuesdays, 7 - 8 PM

Please bring a sketch pad, and #2 pencil

No registration required

Senior Stretch

Wednesdays, until April 24th
11 AM - 12 PM

Join Jerrie Baker, certified yoga instructor, personal trainer, reiki master, and flexologist; for an engaging and rejuvenating class which anyone can do. You can either sit or stand or use a yoga mat – you decide which works best for you. Learn how to stretch and improve your quality of life.

Please bring a yoga mat or a blanket.

No registration required.

Adult Chess Night

Wednesday Evenings

6 - 8 PM

Tail Waggin Tutors

Children in grades K to 6 can read aloud to a certified therapy dog to help build reading confidence and have fun.

Registration is required. Please call the library or stop by to sign up for a 10-minute time slot.

Check front of calendar for dates and times

Lego Play Day

Mon., April 15th, 4 - 5:30 PM

Drop in to build whatever you can imagine with the library's collection of Lego bricks.

Suggested for ages 4 and up.

No registration required.

Teen STEM Program

It's All in the DNA

Wed., April 10th, 6:30 PM

DNA extraction from strawberries will start the conversation about how DNA is unique but similar.

We'll look at human DNA and what that can tell us about our genealogy.

For teens 7th to 12th grade

Registration required.

See library website to sign up.

Teen Mystery Game

The Unsolved Case of

Honey the Bunny

Mon., April 29th, 5:30 & 7 PM

You and your team of detectives have to solve three mysteries from the clues left behind when Honey the bunny, the beloved class pet, was stolen.

Can you solve the mystery... before you get blamed?

Registration required

For teens 5th to 7th grades

Two times available

See library website to sign up

website for details

No registration required.

Self Care: Toolkit Workshop

Mon., April, 8th, 2024 @7 PM

Join us for this workshop and gain practical guidance in self-care activities such as meditation, journaling, and lesser-known activities. By putting ourselves first, we are better able to care for others in our lives. This program will help you understand the power of self-love, and why it's so important in today's fast-paced world.

Registration required

Call 215-836-5300 to register

Guruji Chastity, Instructor, leader of Healers Anonymous

Starting a Vegetable Garden

Tues., April 9th, 6:30 - 7:30 PM

Let's jump into the basics of starting a vegetable garden!

Learn about site selection, in-ground vs. raised beds, soil, water, the cadence of the growing season, as well as easy species to grow and where to source them.

Presented by Boris Kerzner, M.S, Ecological Landscape Design & Planning
