Audience

- Bud Cook, Beth Zelasky, Terri Hepner, Ben Schimeneck

Minutes

- January minutes approved
- Aaron requested to vote for the EAC to send a letter Rec Center committee to consider bird safe glass.
 - Motion made, and motion passed. Aaron will write the letters.
- Question about the Native Plant sale. Receive the information from Red Bud. Looking at 250 plants (100% increase from last year). Can get most of the plants, Red Bud needs to come back with the final list of what they can get.
 - May 4th will be the sale.
- Bag ordinance update - discussion of what contact we as the EAC have had about the contacts. See where we are in 6 months.
- Techno Trash day - looking for volunteers to help the students and junk luggers.
- Library large room - temperature issue seems to have been addressed.
- Board updates - Check from Dept. of Conservation of Natural Resources \$300k.
 - Clarification on starting the open space committee; EAC will need to raise that to the board as an issue.
 - Wissahickon Water Quality improvement plan - recommending that their be a municipal consortium to jump start the planning. Who would represent the township at this is still TBD.
- Adjourned.
