### OLD BUSINESS

#### **Student Representative**

The request for a Student Representative as an Associate Member for the EAC has been posted on the Township website.

### **Open Space Subcommittee**

The open space subcommittee is reviewing the 2006 open space plan and our next meeting is Sept 12th. We are still looking for participants from Parks & Rec and the Planning Commission.

### **Techno Trash**

We sent off another full box. We need to post that combined computer monitors can't go to techno trash because they are monitors. Commercial printer cartridges, even if they are for personal use, should not be recycled with us. Staples recycles these cartridges.

## **ADJOURNMENT**

### **UPCOMING EAC EVENTS**
